The seeds of life, growth, compassion, and joy lie hidden within us. In this five week series, spiritual director, singer, storyteller, and poet, Margie Will, osf, will offer the opportunity to tend one's interior life through active imagination, journaling, art as meditation, and sacred conversation. Each week we will deepen and broaden the rich metaphor of the garden as we explore, clear, plant, nurture, and honor the sacred space within and without.

\$45.00 for series before Feb. 17th

\$55.00 after Feb. 17th
