

*"How does one hush one's house,
each proud possessive wall,
each sighing rafter,
the rooms made restless
with remembered laughter
or wounding echoes???"
Jessica Powers, OCD*

A Dwelling Place

Creating a Home for the Spirit

*Drawing on the mystical poetry of
Jessica Powers & John of the Cross,
Lana Engler will lead participants in
exploring the ways in which they have built
their own "house"
while making a home* for themselves,
a place to spend quiet time
with their Creator and Lover.*

**A portion of this experience will be devoted to creating a symbolic dwelling place out of scrap materials.
Please feel free to bring any crafts materials you have, including remnants of wrapping paper.*
