SLIDING FEE SCALE FOR CLASSES, WORKSHOPS & RETREATS

Franciscan Living is committed to nurturing opportunities for consciously integrating the whole of human experience into the spiritual journey. Our organization relies on donations and fees to support our retreats, classes, spiritual direction, and other services. Through our sliding scale fund, we reach out to those who are spiritually or religiously marginalized by lifestyle or income. Our regular fees for classes & workshops vary. Determination for sliding scale is on the honor system. The guidelines below are offered to assist you in discerning the amount you will be able to contribute toward classes & workshops. We ask that you advise us if your financial situation changes and/or fees need to be adjusted.
